**October 2024**

Welcome to October! 🍂

Dear Parents and Guardians,

Fall is in full swing, and we are excited to embrace the cooler weather, colourful leaves, and festive activities. October is packed with fun, learning, and plenty of Halloween excitement! We've got some wonderful seasonal themes and exciting events planned to make this month special for your little ones.

**Seasonal Clothing:** As the weather cools down, please ensure your child comes with a jacket and appropriate layers. We'll continue to have outdoor playtime as long as the weather allows.

**Extra Clothes:** Please check your child's cubby and update their extra set of clothes for the cooler weather.

**Flu Season:** With flu season approaching, please keep your child home if they are feeling unwell to prevent the spread of illness.

Turkey Thanks Giving lunch is going to be served on Friday Oct 11th.

Last month we had our first LET'S DANCE event and the video is being played on the lobby's TV. Also you can pick up copy of this video by providing us with a USB Flash memory.

Last month we had to say goodbye to Miss Tanya and Soheila. We will miss them both and wish them all the best in their future endeavours. We also are excited to have Miss Shima in the Ladybug room. We Ladybug room is going to be lots of fun with you Miss Shima.

The last week of October will be filled with Halloween-themed crafts, pumpkin decorating, spooky (but not scary!) stories, and plenty of festive fun. On October 31, we'll host a Halloween Costume Parade where children can show off their costumes.

Halloween can be an exciting but overwhelming time for young children. To help them feel comfortable, consider: Discussing what to expect

during trick-or-treating or at Halloween events. Letting them try on their costume in advance to ensure they feel comfortable. Keeping their bedtime routine consistent, especially with all the extra excitement.
